# 'THE GIFT THAT KEEPS ON GIVING' PERFORMANCE OVERVIEW

We are all presents packaged in different ways on the outside with abundant hidden treasures. Throughout our lives we surprise ourselves; constantly discovering our magnificence. Our most precious gifts are those that lie within.

## ***THE PERFORMANCE ADDRESSES:***

- Embracing self worth, knowing that the love we are and offer, is a precious gift from God. We share this 'Gift of Love' through our thoughts, feelings, words and actions.
- Appreciating family times and knowing that there is *always* something we can do to share our love with those who can't be with us this Christmas .
- How to wait patiently for things to come our way.
- Offering the 'gift of good manners'.
- Whom to call upon if problems arise. (*My Hand of Trust*)
- Moving ahead smoothly, feeling peaceful through changing circumstances.
- Appreciating what we receive even when we don't get what we want for Christmas.

***At the end of the performance, children will have a greater awareness and understanding that:***

- ✦ **GOD'S LOVE is the 'gift' that keeps on giving every day, in every way.**
- ✦ **God and the love of Jesus, works with us, through us and for us.**
- ✦ **Jesus taught and lived the meaning of God's love and His presence/presents are with us now.**
- ✦ **We lighten up as we 'let go and let God'.**
- ✦ **We are 'gifts of love' for each other and for the word in which we live.**
- ✦ **We express the love that we are through the values we live every day.**
- ✦ **Our bodies are richly blessed as we give unconditionally from the heart.**
- ✦ **An open heart and mind creates good health and wellbeing.**
- ✦ **We all desire to be loved and to love, to be understood and to understand.**
- ✦ **Love is like 'magic' as it has the power to change hearts and minds in wonderful ways.**
